

sc_interface

```
classDiagram
    class Link
    class LinkSimIf
    class sc_interface
    Link --|> LinkSimIf
    LinkSimIf --|> sc_interface
```

The diagram illustrates a class hierarchy. At the bottom is the 'Link' class, represented by a solid rectangle. An upward-pointing arrow connects 'Link' to 'LinkSimIf', which is also a solid rectangle. Another upward-pointing arrow connects 'LinkSimIf' to 'sc_interface', which is enclosed in a dashed rectangle. All text is in a serif font.
